PARTNERING FOR SUCCESS

SIX STEPS TO SELLING YOUR HOME

PRICING & TIMELINE

PRE-LISTING PREP

MARKETING STRATEGY

SHOWINGS & OPEN HOUSES

NAVIGATING OFFERS

CLOSING & MOVING

PRICING YOUR HOME

One of the most important decisions we'll make together is how to price your home. Strategic pricing isn't just about attracting attention - it's about generating the right interest from qualified buyers early on, which ultimately maximizes your return. Homes that are priced appropriately tend to sell faster, receive stronger offers, and avoid extended time on the market that can lead to reductions and diminished negotiating power.

We take an analytical, data-driven approach when pricing properties. By evaluating recent comparable sales, current market trends, active competition, and your home's unique features, we'll position your property to stand out. Our goal is to establish a price point that reflects fair market value, builds momentum from day one, and gives you confidence as we move toward a successful sale.

While it can be tempting to "test the market" and see what happens, overpricing often leads to unintended consequences. Properties that sit too long without activity can become stigmatized, prompting buyers to wonder what's wrong or assume there's room for negotiation. This can result in fewer showings, lower offers, and ultimately a weaker negotiating position. In many cases, overpriced homes end up selling for less than if they had been priced correctly from the start. By aligning with market realities and buyer expectations, we give your home the best chance to sell quickly, competitively, and on your terms.

ESTABLISHING YOUR HOME'S VALUE

The **SELLER** determines the price. The **BUYER** determines the value.

Your home's debut on the market is one of the most important moments in the entire selling process. It's your best chance to capture attention, generate interest, and create a sense of urgency among serious buyers.

That's why pricing isn't just a number - it's a strategy.

\$ UNDERPRICED	\$ \$ MARKET VALUE	\$ \$ \$ OVERPRICED
Decreases your future buying power Leaves money on the table by undervaluing Buyer may assume something is wrong	Better chance of a bidding war More likely to get an offer at or above list price Likely to sell quickly	May need a price drop, which can raise red flags Likely to sit on the market longer High price tag may deter buyers

PRE-LISTING PREPARATIONS

CLEANING AND SERVICING. We recommend hiring a deep cleaning service before the home comes to market. Short money upfront can go a long way and having your home's mechanical systems serviced now could prevent future issues discovered during a home inspection.

CONSIDER REPAIRS. It never hurts to identify and repair issues ahead of time, such as leaky faucets, drywall repairs, peeling paint, ceiling stains, bathroom caulking, etc. We have a contractor that I can connect you with for any property repairs you want to explore.

KITCHEN AND BATHROOMS. Clear off countertops. Leave your canisters and little else. Maximize the available counter space. These rooms should be gleaming. If unsightly, have the tub re-caulked and remove mineral deposits from the shower walls. Clean the stove, microwave, and refrigerator.

PAINT. Paint goes a long way and is a simple, straightforward way to enhance your home. If needed, investing in paint projects before listing can help cover old blemishes, lighten the appearance of the home, and create higher value perceptions.

LANDSCAPE. The first thing a buyer sees is your front yard; first impressions go a long way and curb appeal matters. Mow the lawn, mulch the beds, plant the flowers, and invest in the exterior appearance of your property.

LESS IS MORE! Less clutter is the best clutter. We want buyers to envision themselves in the space. Less furniture tends to help a room feel larger. Clearing things out now will also make moving a much easier process when your home is sold.

PROFESSIONAL SERVICE PROVIDERS

We have a trusted network of professional service providers who can assist with just about anything you might need - interior or exterior painting, deep cleaning, lawn care, junk removal, minor repairs, staging, and even full-service moving.

No matter the task, we have someone reliable to connect you with who understands the urgency and importance of preparing a home for sale.

Our goal is to make this process as smooth and stress-free as possible, and that starts with having the right resources in place. Let us know how we can help and where you'd like to begin - we'll tackle it together.

Community involvement plays an important role in the home selling process. Hello neighbor - My name is Russell Carlone. I am a partner at RE/MAX Results, specializing in residential real estate sales. I am writing to share some news about an upcoming change in your neighborhood.

223 Westmoreland Lane will be coming to the market on April 10 at a price of \$850,000. I will be hosting 2 Open Houses this weekend on Saturday, April 13 from 11am-12:30pm and Sunday, April 7 from 11am-12:30pm. I understand that open houses can sometimes bring additional traffic to the neighborhood, and I sincerely apologize for any inconvenience this may cause. I value community and want to make sure everyone is informed ahead of time about these two public showings.

I would love to know *what do you love most about living here?*—it's always great to hear different perspectives from neighbors, and I always like to share that insight with potential buyers in hopes that they will be a great addition to the association.

I am extending an invitation to you, any friends, family, and colleagues to please come to our open houses. If you know anyone who may be interested, please feel free to share the listing and my contact information with them.

If you have any questions or if you would like to stay updated on the progress of this transaction, please feel free to reach out to me directly. Your support means a lot to me, and I want to ensure a smooth transition for everyone in the local community.

My direct line is 401-418-2869.

Thank you for the hospitality over the next few weeks, and I look forward to meeting you soon.

Sincerely,

The background image shows a bright, modern kitchen. A large skylight at the top allows natural light to fill the space. The floor is made of light-colored wood. On the right, there are blue kitchen cabinets with white countertops. On the left, a window looks out onto green trees, and a copper faucet is visible on the sink. A wicker chair with a patterned cushion is in the bottom left corner.

SHOWING EXPECTATIONS

First impressions make a lasting impact, especially when it comes to selling your home.

A clean, well-lit, and comfortably temperate space sets the tone and immediately puts buyers at ease.

Paying attention to small sensory details - like lighting, temperature, scent, and background music - can create an immediate connection and leave a positive, lasting impression.

These thoughtful touches help buyers feel at home the moment they walk in, which can make all the difference.

OPEN HOUSES

For open houses specifically, we don't just **have** them, we **host** them.

Our open houses are an experience, whether it's a summertime BBQ that turns into a neighborhood block party or a luxury event that reflects the caliber of a high-end listing.

We will work together to discuss the most effective way to host an open house at your home.

We invest in creating a memorable atmosphere and have partnered with local businesses like restaurants, bakeries, florists, and even ice cream trucks to make our events stand out.

This approach means more activity, more foot traffic, more competition, and ultimately, the most exposure for your property.

NAVIGATING AND NEGOTIATING YOUR OFFERS

- **REVIEW.** We'll evaluate all offers based on price, terms, contingencies, and buyer strength.
- **COMMUNICATE.** We'll engage with each agent to understand their flexibility and strengthen our position.
- **ADVISE.** You'll get a clear summary, and our recommendation based on the goals we have discussed.

- **CONTRACT TO CLOSING.** We'll guide you through inspections, appraisal, and financing to ensure a smooth path to the closing table.

CLOSING DAY

- **UTILITIES.** Be sure to cancel or transfer services effective on the closing date.
- **MOVE OUT.** The home should be broom-swept clean and free of all personal belongings. We are happy to connect you with a qualified moving company if needed.
- **SIGN PAPERWORK.** You'll sign closing documents, and once the deed is recorded, the sale is official.
